

A Vision for a New Earth

Please share with us this Vision for a New Earth.

An Earth where there is no war and
unity is a real harmony - sharing Love's spirituality.

Facing through radical trust, allowing it flows that the dark is pierced
by the light and has no ignorance transformed into insight, love and wisdom.

New leaders with spiritual vision, compassionately inspired by sharing conviction
to all life and a genuine caring for self, humanity, and the environment
lead the world to unanimously agreed upon climate of peace.

Religion is no longer taught over, but learned as experiential reality.

Freedom exists where One One level Light

no death - no stress - no greed - no economy - one humanity.

Diversity is celebrated within the uniqueness of each individual culture, race and belief.

Generosity and gratitude replace greed, and the desire to accumulate
out of fear, is replaced by knowing that all is possible.

Spent time, knowledge is the ultimate choice providing beyond all illusion.

The creative potential of each person's abilities, facilitates expansion of joy, compassion.

All learning, education, development, education, creativity and imagination

Word, thought, light, feeling, images and colors are understood as
part of creation to manifest reality.

Love is understood as the vision of life and joy, the blueprint for achievement.

Peace, compassion and forgiveness were primary and main connection.

Unity is a goal for us, evolving into the ever evolving mystery of the New moment.

Time is seen as a dimensional of Infinity where the New creates, attraction for our own and others' desires.

Peace is Light.

Light is the interplay of the three spheres from the known crossed Love.

Light is the breath of The Divine.

In Light are the colors of all Life, always, everywhere, always.

Love is All There Is.

An open to your heart, In Peace, In Love.

Know that you are loved beyond measure.

Know that we are one in a New Earth.

When we all celebrate our magnificent

Divinity and it will be.

The White spiritual path, the walking, our individual dream.

As we walk our individual dream - the world dream outside.

Our intentions create our reality and we create manifest our creation.

The Celtic spirituality from the Celtic Prayer Ring, which encompasses this Vision.

As the prayer Ring flows to the world they become that creation

to create a new earth to be lived in New Earth.
